Topic for this session is "Filters" - discussion will cover the various types, eg. polarising, neutral density (ND), protective and UV.

7.30pm - Challenge:

To keep everyone focused on taking photos, the Competition Secretary came up with the brilliant idea of a photography challenge, that commenced during the recent lockdown. At this meeting, we will see members images for the 3 challenges, viz. "Personal interest", "Frame within a frame" , and "Soft". It will be interesting to see everyone's interpretation of the challenges.

7.00pm - Long exposure:
