Members are encouraged to participate in the Gallery section of the website. If you have existing images in the Gallery, please review and if required send your images to our webmaster Stephen Corbally via [AHPC Website](#)

For members who wish to participate please prepare a maximum 6 images as follows:

Images for the Banner (top of each page)

980 pixels wide x 350 pixels high at 96 dpi. The images must exactly match the sizing, aspect ratio and dots per inch (dpi)

Images for the Gallery

600 pixels wide x 600 pixels high at 100 dpi. This is the *maximum* size and aspect ratio. Therefore images must fit within this sizing and aspect ratio. As examples an image could be 600 pixels high and 300 pixels wide or 400 pixels high by 600 pixels high.

These resolutions used for the website mean that the images are way too small for printing or display on anything other than the web
