## Newsletter April 2022

The President, Ross Pollock, is pleased to report that all the existing members The Management Committee (**MC**) of the SAPF were re-elected at the 2022 SAPF AGM that was held on the 1<sup>st</sup> of April 2022 along with one additional member, David Shetliffe, who is the recently appointed President of the Audio Visual Club of SA.

David brings to the committee a lifetime's experience in the business world managing both commercial organizations and industry associations.

With all existing members of the management team re-elected we are now in the position to concentrate on our plans to develop and deliver support programs and other initiatives to assist clubs.

With many of the Covid restrictions being lifted it's hoped that this will be the catalyst for clubs to re-commence their programs in full and attract new members.

The MC would like to thank those clubs that responded to the club survey received with the 1<sup>st</sup> newsletter in January. Your feedback has been discussed at both the March and April MC meetings with several of the suggestions planned to be incorporated in our support activities over the next 12 months.

The SAPF MC along with the Mullins Fund MC are particularly keen to support country-based clubs and are planning and researching a range of educational options, to deliver to country clubs. The MC will discuss initiatives with regional clubs to ascertain the support required and tailor activities to those needs.

### 2022 Annual Exhibition

Final preparations are underway for this year's Exhibition.

The opening and awards presentation night will take place on Thursday 19<sup>th</sup> May 22 from 6:30pm to 9:00pm at the Burnside Community Centre, Corner of Greenhill & Portrush roads (carpark off Fisher St Tusmore).

The MC and the Director of the Exhibition, Helen Whitford, would like to thank the 89 individuals who entered 1323 images in total plus the 16 clubs who entered 10 images each in the Club Sets.
